Join us for the first **Monthly Support Group Meeting** of the new school year! Since we are unable to host in person meetings due to COVID-19 regulations at this time, we will be hosting our meetings via ZOOM instead!

We'll use this meeting to welcome everyone back, to reconnect, to welcome new members, and get to know each other! So bring your questions, share your celebrations, and come meet others who are touched by ASD. This is an understanding and non-judgmental environment. All are welcome!

We will send out the Zoom Meeting link the week of the meeting, so be on the lookout!

We're excited to see everyone!!

No RSVP necessary.

Our meetings are held on the first Thursday of the month September-November and January-May.

OUR MISSION

The mission of Autism York is to provide support to individuals on the autism spectrum, their parents, families and friends. Our group exists for the sole purpose of providing support in a safe and friendly environment. It is the intention of Autism York as a group to promote understanding and respect of all families and the choices they make regarding therapies and interventions. Through this group we will offer opportunities for families and individuals on the autism spectrum to learn, grow, and develop relationships that help guide one another through this journey.
