Craft Night!

6:00-8:00pm

St. Matthew Evangelical Lutheran Church: Room 13
839 West Market Street, York, PA 17401

Join us for a fun evening of **crafting**! Autism York will provide a **Craft** for each person on the spectrum (professionally OR self-diagnosed) and, if you bring one, an accompanying guest. You will be able to bring your completed craft home at the end of the night!

Please arrive a few minutes early. We'll meet in the lobby of the church and proceed to Room 13 together.

We are a welcoming group and invite new participants to attend.

****Please note that each person is responsible for following current CDC and Government recommended COVID-19 guidelines.****

This group provides an opportunity for older teens and adults (around age 18 and up) with an Autism Spectrum Disorder to meet for support, self-advocacy, networking, conversation, and fun. We meet on a Wednesday of each month, January-May, September-December, and occasional summer meet-ups.

OUR MISSION

The mission of Autism York is to provide support to individuals on the autism spectrum, their parents, families and friends. Our group exists for the sole purpose of providing support in a safe and friendly environment. It is the intention of Autism York as a group to promote understanding and respect of all families and the choices they make regarding therapies and interventions. Through this group we will offer opportunities for families and individuals on the autism spectrum to learn, grow, and develop relationships that help guide one another through this journey.
