This group provides an opportunity for older teens and adults (around age 18 and up) with an Autism Spectrum Disorder to meet for support, self-advocacy, networking, conversation, and fun. We meet on a Wednesday of each month, January-May, September-December, and occasional summer meet-ups.

OUR MISSION

The mission of Autism York is to provide support to individuals on the autism spectrum, their parents, families and friends. Our group exists for the sole purpose of providing support in a safe and friendly environment. It is the intention of Autism York as a group to promote understanding and respect of all families and the choices they make regarding therapies and interventions. Through this group we will offer opportunities for families and individuals on the autism spectrum to learn, grow, and develop relationships that help guide one another through this journey.
