SAFETY & AUTISM: What To Do Before & During an Emergency

Thursday, October 13, 2016

7:00-8:00 pm. Doors open at 6:45 pm.

NEW LOCATION: Stewartstown Elementary School*, 17945 Barren Road North, Stewartstown, PA 17363

Please join us as we provide information on how to prepare for an emergency and what to do in an emergency.

We will discuss how to relate to emergency responders, what information to have ready and available, and other strategies to deal with an emergency.

Light refreshments will be served. No RSVP necessary.

Our meetings are held on the **second** Thursday of the month and September—November and January—May.

Child care is provided by at least two professional staff who are experienced with children on the autism spectrum. When possible, children will be separated into two different rooms by age groups. We encourage older children to bring handheld games, books or homework. Autism York will not assume responsibility for any lost or broken devices. If a child exhibits behaviors that are not easily redirected by the staff, parents may be called from the meeting to come help their child.
